## ***Electronic Delivery Tickets Now Available!***

### ***“What Is An Electronic Ticket?”***

- ✓ It's a delivery ticket sent to your e-mail address just moments after we post it!
- ✓ It's an instant invoice that arrives in minutes, not days!
- ✓ It's an exciting new service that is available to all White Mountain Oil & Propane customers ***today!***

White Mountain Oil & Propane, Inc. is now able to offer our customers an exciting new service called “E-Ticket.”

-  E-Tickets provide you with faster delivery notification, allowing you more time to take advantage of our 10-day / .10 cent per gallon discount opportunity (certain restrictions apply)
-  E-Tickets provide an enhanced level of delivery detail, such as detailed meter readings, electronic payment detail and much more!

There is no cost to enroll in the E-Ticket Program. The E-Ticket replaces the instant invoice you traditionally received via U.S. Mail. You will continue to receive your monthly statement of account as you have in the past.
