

WHITE MOUNTAIN OIL & PROPANE

April, 2018

Dear Valued Heating Customer,

April brings with it renewal time for our annual Heating Service Insurance Program. Our experience has proven that a well-maintained heating system operates more efficiently and with fewer problems.

As a current member of our Rinnai/Empire Wall Furnace Service Insurance Program you will be automatically renewed and your account will be invoiced for the plan, depending on what coverage you had last year (see pricing). You may call 603-356-6386, option #2, during business hours if you have a question about the number of heating units you currently have covered. Please sign the reverse side of this letter and return this copy to our office in the enclosed envelope to confirm this year's plan.

If you choose to add additional Rinnais or Empires to the coverage, please check off the box on the reverse side of this letter and return to us, and we then will enact your new contract. Any program changes must be made by June 30th. We will be contacting you at a later date to make arrangements for the inclusive annual heating system cleaning.

In anticipation of good weather, I wish you an enjoyable summer season.

Sincerely,

Curtis Reynolds
Service Manager
