This Heating Service Insurance Program includes the repair or replacement, at the option of White Mountain Oil & Propane, of any covered part failure and related labor charges for one full year commencing May 1st. **This Policy entitles the customer to "on-call" emergency heating service during the period of 7:30 a.m. to 4:00 p.m. Monday through Friday, excluding locally observed White Mountain Oil & Propane holidays.** If emergency heating service is required outside these normal business hours, the service will be furnished on a best-efforts basis at White Mountain Oil & Propane call day rates and terms then in effect. **This policy will also include a tune-up and efficiency adjustment to be completed during the policy year.**

Annual Burner Tune-Up

White Mountain Oil & Propane will inspect the venting, inspect the combustion chamber, clean the flame sensor, adjust the burner, and check the delivered gas pressure. Manufacturer's recommendations for annual maintenance will be used as a guide, as well. This Service Insurance Program also includes an inspection of regulator supply pressure and piping.

GENERAL CONDITIONS

1. **Calls Not Covered:** All calls resulting from failure due to fire, flood, lightning, power failure, blown fuses, power surges, switches off, improper setting of thermostat or warning device (including WiFi), occupant's neglect or accident pertaining to the heating system or other conditions deemed acts of God or beyond our control will not be covered and labor will be charged at our prevailing day rates. Freeze damage caused by heat failure is also not covered by this insurance program.
2. **Parts Not Covered:** Heat exchangers, jackets, venting and associated labor.
3. **This program is only available for Rinnai and Empire propane fueled, direct vent, wall space heaters, and does not cover floor furnaces, Rinnai boilers, on demand water heaters or fireplaces. In situations where there are multiple units, this service program covers the designated space heater only.**
4. Policy requires White Mountain Oil & Propane to be the exclusive provider of propane to the covered space heater(s) with a delivery status of automatic.
5. Policy automatically renews each May, unless canceled by customer, or White Mountain Oil & Propane.
6. Upon change of ownership (after July 31st or usage), this policy can be transferred for a fee of \$50.
7. Policy renewals may be canceled by customer by July 31st after the policy's inception and cannot be refunded after August 1st or after any usage of the insurance plan.
